The Mule Train Country Music Festival is a brand new venture put together by Old Station CMF Ltd utilising the artists we had hoped to use in our original event shelved due to the Corona-Virus in 2020. Our experience in the industry we are sure will make this a successful annual event. Great field in an easy accessible location with a substantial layout and Marquee to accommodate our guests. Pitches numbered and individually marked out for your convenience. The sound will be controlled by one of the most accredited country music crews Steve Hanks Audio. A wide selection of artists will give you more than 30 hrs of music over the 4 days. Add two nice sized dance floors for happy dancers. A Licensed bar is situated in the marquee but you are welcome to bring your own alcohol although we hope you will support the bar in the way they have supported us with the venue. Dogs are welcome but we request that you please clean up after mans best friend. As expected First Aid and Security will operate 24 hrs a day for the duration of the event. Trade and food stands will operate daily in our market street. Toilets and shower facilities that are maintained on a daily basis. We hope you will enjoy this rescheduled first Mule Train event and want to return next year and long into the future.
